The way that you dress so well , lol and those boots those black cowboys boots I never seen someone take care of a pair of boots like you there was never a spec or dirt on those boots ! I’m so grateful to have a grandpa like you , not only a grandpa a best friend! You was someone that loved everyone no matter what their past consisted of ! You always put a smile on my face ! I will never forget the golf cart rides , the visit, and the great advice ! I know that you are watching over me right now and I hope I’m making you proud ! “ Dad was a very loving and caring father. He was a very hard worker, he worked alot of hours in the coal mine to support us and for that I Will always be grateful that was the kind of person he was, he was nonstop. He was a great teacher, he taught me about gardening and how to swim, that's why I love to swim. Whenever he would call me by my middle name Marie, I knew I was in trouble lol .i am glad to see he touch so many lives, he was always willing to lend out a helping hand. I did not want to let you go dad. But I know God will take care of you now .I will always love you dad and I will forever miss you love you always heidi

“ Jerry became part of our family when I was a young teen. He was the most caring person ever. Through the years he was always the one to fix things for me, cars, lawn mowers, water pressure in my house etc. He knew what to do and how to do it. He was a jack of all trades and the master of all. On my birthday Susie would put him on the phone to sing Happy Birthday to me. I told him he sounded like Elvis and started calling him that jokingly. Oh how I will miss this. Jerry was liked by everyone he met and loved by family. He was the best brother in law and I rest assured we will meet up again. Godspeed Jerry, we love you.

“ I will miss you Uncle Jerry. Ever since I can remember, you have been the coolest uncle (always thought of you as a Johnny Cash). Always dressed to a T with your boots shined, always so quiet but we all knew your love for the family, and always took the extra time to make us kids feel special. Praying for and sending condolences to Aunt Susie who I know is lost without you and Jerri Lynn and Heidi. ❤️

“ My dad was the strongest man I knew
He was a coal miner, A mechanic, a man that could fix just about anything
He would have given the shirt off his back to help anyone out
Dad loved to race dirt track cars back in the day and he let me race one day I got 2nd place but I think I blew up my brother Michael's car 😊
Dad taught me how to be a hard worker, a good human being, how to ride a bike, a car, motorcycle, tractors, all at a young age 😊 I am thankful for that
He also named me Jerri because he said boy or girl that's what he wanted my name to be 😊
See ya on the other side Dad
Love you whole bunch up in the sky!
You were a legacy on this earth and you will always be my hero!
Love,
Jerri Lynne
