“ *My Aunt Joann was one of my favorites. She was my dad's sister. Growing up we lived right next to them and we had so much fun hanging with all our cousins. Joann would make us laugh with her funny ways and sharp wit. She always made you feel welcome and loved. she used to send me hand written letters telling me what was going on and I would return the favor. What a wonderful childhood we had growing up with all the laughter, love and people in our family. I am going to miss you!! Prayers for Greg, Cindy, Jennifer, Becky, Kim and Angie and their families.*

“ Joanie and my mother, Pat Shaffer, were good friends and I came to
know her through Mother and, of course, at Church. She was
always such fun and usually at her expense because she was so
blonde. We offer our prayers for God to comfort your family and
help you to know that she is sharing eternal bliss with Puny and all
her loved ones... can you imagine the joy?

Joani was a great friend. We had many wonderful times together and she will be missed. She was a lovely woman who always presented herself impeccably dressed. She had a very warm heart and loved her family. She also had a wonderful sense of humor and she was a great hostess, enjoying having her friends over for food and conversation. God bless her and keep her.
