*So sorry for Joan's passing for all of your sake. But I rejoice in the fact that Joan is now with Jesus. She has her new body and will never suffer a moment again. God loves His children and rejoices when their labors are through, and His children come home. We realize the void Joan's passing will leave in your hearts, but always remember she's not dead she has just moved away. To a land of love and peace. Will be praying for all of you and longing to go and be with Joan soon.
