“ I have such memories of John. We went to Lick Local together in seventh grade. This is one funny story that I remember. Mr Edwards our teacher sent me and my friend Carol Lambert and John to cloak room and John loved to tease and we had to sit apart from each other John took a bottle and filled with water and spilled on floor and it went tweenking down toward Carol and she wouldn't move from her spot so I had to tell Mr Edwards and he told us to go sit down made John clean up the mess but, it was funny.
I did not know of his passing and so sorry for him and his family.
Him and Larry was very close.Barbara Smith Randall
