“ Jack my best friend and old band mate. I will miss you brother. So many great times playing music back in the day we had a blast! We always loved watching Clint Eastwood movies together especially Dirty Harry movies and Jack could do a hell of an expression of Clint saying go ahead punk make my day lol. I am also very thankful that we got together several times over the past year to catch up and share memories of the past. There will never be a more genuine friend than Jack AKA Mugsy too me. Until we meet again. Your best friend "Dano " is what he always called me.

“ I'm so glad that I could be with Jack, Heather, and Roberta on Thanksgiving. I enjoyed Jack's sense of humor; I hope he has found my sister because I think she would enjoy it too.
