“ *I feel your pain, my heart breaks for everyone involved. I have lived your pain and still do today. Lean on God thru your darkness, for every bad he makes good. We have to praise him in the valley the same as we do on the mountain. I know this isn't the way life is planned but we are stronger with Gods hand for it. I pray for you all and know that anytime you need advice or to talk about this you know where I am. Love to you all.*
