“ Do not stand at my grave and weep I am not there. I do not sleep. I am a thousand winds that blow. I am the diamond glints on snow. I am the sunlight on ripened grain. I am the gentle autumn rain. When you awaken in the morning's hush I am the swift uplifting rush Of quiet birds in circled flight. I am the soft stars that shine at night. Do not stand at my grave and cry; I am not there. I did not die.

“ We always had such a good time together. Didn't matter where or what we were doing we ended up laughing so hard at some silly thing tears rolled down our cheeks! I will miss her so much. I am grateful for our conversation from the day before she went home. It ended with heartfelt "I love yous" and promises to visit soon. I will miss her more than I can say.
