“ Judy was on the JHS Tennis team for four years in high school. I was the tennis coach and enjoyed our friendship so much. She earned the Most Improved Player Award one year and many years later when we were teaching at the Middle School she told me that she had cherished that award for many years.....it was such a little thing and she did deserve the award.

We stayed friends for many years and when I retired we would run into each other occasionally. Special friendships last forever.

Fly high special angel.💕💕

“ Judy was my dear friend throughout high school. I cannot think of a single day we didn't see each other or talk during that time. She has always held a special place in my heart, and I will never forget the many memories I have of her. I will miss her sweet smile and her infectious laughter. My condolences to her family and friends. She will be greatly missed.
