“ Willie,  
So sorry for your loss. I will be praying for you to receive God's comfort. You are a warrior and I have no doubt you will work through this and move on with your life. God is not done with you yet and it will be interesting to see where He leads you. Be blessed and know that if there is anything I can do, all you need do is ask.

“ Love and prayers to you and the family. Maybe God filled Diane with so much life and love because He knew she would have a short time in this world. If you or the boys need anything that either of us can provide, you need only ask.
