“ I was so sad when we got notice of your mom's passing. I have known your mom for many years through school functions when Wendy & Melanie were in school together, through Democrat functions, and most recent through the Board of Election. Throughout all those years I remember her always with a smile on her face, a kind word, and always working hard!! In the last 2 years on our Board, she has brought her work ethic & objectivity everytime she was here. She was an absolutely awesome Board Member for us & she will be very hard to replace!!! Rest in Peace sweet Judy!!!!

“ Dear Wendy, Bryan, and Family,
I am so sad to hear about your wonderful mother. I was so shocked because she was always out walking to get exercise. In fact, I believe we were on the same schedule as we would have many talks as we met along the way. Please know that she was so very proud of all of you. She also was so proud of the things your grandfather is still able to do on his own at his age.

Your Mom was an amazing aide at the schools I taught at and later on a cook at Northview. She was so very kind to the children and a great help to us teachers. I don't think I ever heard her raise her voice at school.

I will miss seeing her so much. Sending my hugs and prayers to all of you.
