“ We loved Julie. I wish she and Kevin had more years together. When they came to FL to visit, she was concerned that she was interfering with our time with him. As I told her, he would have been bored without her. They would sit and talk for hours, everyday. They were good for each other. She bought so many clothes that year that we had to bring her old ones with us when we drove home in the spring. We'll miss her, but not as much as Kevin will.
