“ *You will be missed Keith. You were always a kind person. You always had a smile on your face. You always seemed happy when I saw you, and you made me laugh. Your mom and dad are two of the nicest people I know. My family and I will miss you. I pray that all the consolations of God will come upon your family during this time, and I pray that you will rest in the peace of God. -Gib Patt*

Keith, I have fond memories of you from the time I first met you when you were nine years old, later when you stayed with us at various times when you were growing up and Ohio State football that we both loved. The memories are wonderful because you were a kind and gentle man. May your soul rest in peace.

I remember when I was a young child coming to visit and stay with Aunt Janice and Uncle Eathel, how even though you were older than me, you seemed like a child at heart and we would joke around and you made me laugh. As we grew older, I always saw you as a kind man with such a big heart. You will be forever missed, but never forgotten. This is not the end, but the beginning of eternal peace and happiness with our Lord. Until we meet again cousin.
