“ WOOOOOOOLLLLL!!!! There will never be another like you; as far back as I can remember you were the next best thing to Santa Claus! Everytime you came to visit your presence just brought happiness and it rubbed off on everyone, especially Mom and Dad to let us stay up a little later and get away with a little more than usual. You were always a great support in rough times, especially with your words of wisdom and unmatched bear hugs. You were always a cheerleader and one of our greatest supports in encouraging us to just be ourselves. You often played taxi and accompanied us to some pretty colorful events like the GWAR concert at HOB and the School Bus Figure 8 races the day after Thanksgiving, no matter what...we had the best times with you. There are so many wonderful memories of all our shenanigans; I think my favorite was telling the same jokes over and over and laughing harder everytime we saw each other. There is no doubt we were family with that hard core line of silliness running through our veins. Our beloved brother, uncle, cousin and best friend, Keith...oh how you will be missed. We were so blessed to have you in our lives, your imprint will carry on with all the memories and through your beautiful daughter Sarah. We will miss you endlessly until we meet again on the other side. Rest easy Woooool, say hello to the wonderful souls we miss so much that are surely welcoming you home. We love you!! -Brigitte Foster

“ Dear Keith,  
I am so happy that through Lannaue, you were brought into my life. We both always enjoyed your visits and long conversations that at times were very loud-due to so much laughter! When you, Terri Jo, and Sarah would come to Florida on vacation, you always made time to meet us somewhere or come to our home, for it was obvious that your family was important to you--whether near or far--and a quality that I so admired. I also will always remember you taking the time to get to know me and just being so kind and welcoming and I thank you again for doing so. You will remain in our thoughts and hearts forever with love and a smile. Elaine Head
