“ I met Kelsey at Groveport Animal Clinic where she worked. She was strong and knowledgable kind and compassionate. I grew to love her for her welcoming, lovely spirit. I saw her last a few weeks ago, I'll never forget her hug and her sweet beautiful face. The world is not as good as it was, but she left such positive energy that we will benefit from her always.

“ Kelley. You'll be missed more than words could explain for many people. I always loved all your posts about your fur babies. We bonded over our hedgehog love and corgis. I honestly can't believe you're gone. You're such a light to so many. May you rest well and hug Bear tight. I know you missed him.. many prayers to the family.

“ Kelsey -I miss you . You were the bright light in the dark for so many. I know you are still with us all because a spirit so big and so loving certainly never dies. You are in every sunrise, every kindness and in our hearts and memories. Your reach is impossible to measure , you were always more than enough and you didn't lose a battle and cancer never took you away from who you are. I love you forever . I hope you know .
