“ Off and on for nearly 20 years I dealt with Larry selling the city bucket trucks He quickly became more of a friend than a client and was A pleasure to deal with Also over that same time frame I watched Larry systematically rebuild the electric system into one of the most reliable municipal systems in Ohio The city of Jackson Owes a debt of gratitude to Larry and his family who supported him through all the weeks, months and years it took for him to accomplish his goal. He will be sincerely missed

“ To my Dad,I love you and will miss you until I get to see you again in heaven. My heart is broken, and I will always cherish all the memories I have of you from a little girl to becoming an adult myself. I always hear you in the back of my mind coaching me and mentoring me and I appreciate all that you ever taught me and most of all being my protector and your big bear hugs . Rest in peace Dad, know that I will think of you everyday and I know you will be around me and the grand kids watching over all of us and we will all miss that laugh only you had:) With all my Love Tammy
