“ Angie and family,  
I am so sorry for your loss. Anytime, I was on the phone with Angie, he always had something funny to say. He loved picking on Angie and getting her goat. They were so wonderful together. One could see the love that Angie and Larry had for each other. This is such a tragic loss. He was such a great and funny guy. You will be deeply missed by all whom you touched their lives.

Love,  
Betty
