“ I went to high school with Leo and graduated with him from Savannah Central High School in 1980 in Savannah Tennessee. He was highly regarded and loved by his fellow classmates earning the distinction of Senior Class favorite. He always smiled and was very friendly and outgoing. Prayers for his family and friends and for all who loved him which includes all of the Class of 1980. Go with God, Leo.

“ Leo was a close friend of my father many years ago. I remember running around and playing games in Leo's boom boom room at their old cabin before they moved to Jackson. Leo was always a kind man and knew how to make anyone laugh. My younger brother and I will always remember the times we had at the cabin, going fishing and playing games with Leo. Our condolences go out to Helen and the rest of his family. Thank you for all the kindness and joy you guys instilled into our lives.
