January 03, 2024 at 03:49 PM

“ My sweet great grandma, thank you for all the memories. All the hours it took to curl my hair and make my favorite cookies homemade. There wasn't anything you couldn't make up in the kitchen! Thank you for all the laughs and lovins I got from you. More importantly thank you for always loving my dad and helping raise him. I hope you and your sister and everyone else up there are dancing! So much love to you grandma.
