“ I am so sorry for your loss. I can remember, as a young girl going to Ferns and getting my hair cut. I would see Lori as a young adult...and even though she was only a few years older than i was she seemed so mature and I always admired her and I thought she was beautiful.

“ To Lori's family -- I am so saddened to hear of her sudden passing. I worked with Lori for five years, and she was always so kind and funny. She spoke of her family often, and always with such pride. I will remember her calm disposition and genuine smile most. You are all in my thoughts. Take care.

“ The Smith Family,

You are in our prayers. Lori was a very special person. no matter where you saw her at she would always have a kind word to say. Her smile would light up a room. She had a spirit that was precious. She will be truly missed. When we saw her recently she would talk about the Buffalo Bills, she knew we were born and raised in Buffalo and we love our bills no matter what. We will continue to pray for your family.
