“ We live just a few houses down from Cliff Stevens, he used to take Madelyn rides all the time stopping at our house to talk, Cliff loved his sis so much, we know he sure enjoyed his time he spent with her. We sure missed her when she had to go to another place to live. She was a quiet, very pleasant lady, God bless all who knew her, sorry for your loss, The Coleman family

“ I have several fond memories of Madalyn. I can still hear her laughing when she got together with my Grandma, Dolores Humphreys, and Mildred. They would have Bible study, pray, and then laugh as they told stories on each other over coffee. She was a sweet soul who was with my Grandma up through her last days. I am better for knowing her.

“ *My Mamaw, my best buddy, my go-to person, my prayer partner, my safe place... My hero went to receive her reward. She fought a good fight and she kept the faith. The woman she was helped mold me to be the woman I am today. You taught me to be honest and true. You taught me to pray and seek God and trust Him in all things. Mamaw we shared so many secrets and memories... And forever I will hold them dear to my heart and treasure them. My princess even carries your name.... Oh my Mamaw, I count it a great honor to be the granddaughter of Madalyn Dameron. You are with Papaw, Donald, Granny, Aunt Mig and my baby Elijah and I am sure you are having an amazing time!!!! I will be there soon Mamaw.... Look for me.*
