“*Jo and I went back to days of my youth when she and Les were our neighbors in Trenton, Ohio. I had stayed in contact with her over the years and paid her a visit a couple of years ago. We'd always talk of the times when Les would take me fishing or to see the Reds play ball at old Crosley Field. Also remembering those times when I'd take care of Les' Beagal dog when they were away. Jo worked at Armco Steel back in those days and played softball for the woman's Armco team as a catcher. I had attempted to contact her many times by phone without results so now I know. She always called me "Sunshine" when a child and did so even as an adult. God Bless Jo, the Good Lord has certainly received an angel. Had I have known before today I would have attended and given you my final tribute.*
