“ *Met Mark, several years ago in Jackson while out riding motorcycles. He was setting at a restaurant we stopped at and we chatted for a while. When we left he followed us on his bike for a while then turned off on a road. Later, Mark called me and told me that something we had said to him, along with the friendly conversation, that he wanted to accept Christ in his life. We were blessed and fortunate to be in that part of his life. Through time we became good friends, visited his house, rode together on trips and enjoyed each other's company. Loved the man, his laugh, smile and his heart. Pastor Roy Bikers for Christ Motorcycle Ministry*
