

Mary Anne Green

November 4, 1956 - December 10, 2021

MaryAnne Nalder Green, beloved wife, mother, mama, sister, aunt, friend, but never a stranger passed away unexpectedly surrounded by her loving family on December 10, 2021.

MaryAnne was born on November 4, 1956, to Wally and Doris Nalder in Ogden, UT. Our Mama grew up in Layton, UT, the sixth of eight children. Coming from a large family, she had to make and find her own way, and that she did and did it well. She was one of a kind, unique in every way; a very special soul. A Scorpio through and through.

Our Mama attended Layton High, class of 1975, where she was involved with student council and very admired by her peers. She was a left-handed third baseman (often letting everyone know what an amazing player she was), a Sterling Scholar for Business, and lover of synchronized swimming, in fact, she taught everyone who swam with her.

Mama and Papa were married October 14, 1976, in Layton, Utah. They were later sealed in the Salt Lake Temple. They met at a young age, while working at Winegars grocery store. They spent 45 loving years together. Mama and Papa are two very different people but that is why they worked so well together.

Our Mama was a passionate, driven, and hardworking woman. After high school, she attended Weber State College. MaryAnne began her interest in computers while working for the Davis County School district. While living in Missouri, she focused on raising her children and helping guide other children through teaching teenagers Seminary and subbing in local schools. While in Ohio, she worked at Nationwide Insurance for many years. Later in life she taught Medical Office at Buckeye Hills Adult Career Center. She was proud of her various careers and truly loved helping people better themselves. She was very dedicated to her church, serving in various roles. She taught her children young, by example, the true meaning of service. She continued serving as they got older by being very involved in Kiwanis and the local chapter of the American Cancer Society. Mama made a huge impact on all the people she taught, served, and loved.

Mama had many talents and gifts. Mostly noted as an artist, crafter, chef, avid gardener, and computer whiz. Our Mama would often be found painting and sketching birds, flowers, and trees, often sharing her pieces with others.

Our Mama adored her family and was extremely proud of her children and her honorable grandchildren. They were her ultimate joy in life, she loved them dearly, and always made each one of them feel extremely special. She enjoyed doing crafts, games and cooking with them. She hardly missed an opportunity to support them in all their extra-curricular activities.

Mama will never be forgotten but forever remembered and missed by all who were fortunate enough to know her. She is survived by her loving husband, Shane, of 45 years; along with their three children, Mechel Green; Melisa (Chad) Reynolds; Curtis (Miranda) Green; nine grandchildren and one great grandchild who adore her, Helena Stacy, Kamille and Abram Reynolds; Carlee (ChaseBurdine) and Madi Lewis, Mallory, Caitlyn, Damon and Lily Green, and Taysom Burdine; sisters Karla (Neil) Thornley, Kathy Mouritsen, Jacquie (Carl)

LaCasce, Judy (Les) Prall, Nancy (Stan) Seely, Kaylyn (Scott) Beck; brother Kenley (Karen) Nalder; mother and father-in-law, Madge and Les Green; sister-in-law Julie Green, brother-in-law Monte (Annette) Green; along with her nieces and nephews; as well as her extended family and an abundance of special friends.

She is preceded in death by her parents and her brother-in-law Dick Mouritsen.

The family will receive friends and family on Wednesday December 15, 2021 from 2:00 pm-6:00 pm with the funeral immediately following at Mayhew Brown Funeral Home. “ My condolences to the Green family and the Nalders. Mary Anne was a big part of my childhood, a big part of all of us that grew up on Aircraft Ave. Many nights of night games, many Sundays playing ball across the fence in the school yard. She was well loved and always so happy. As I think back to those days I can picture her beautiful smile and hear that infectious laugh. We had so many fun times together, like walking to Layton Drug, another time being out late on Halloween, stopped by the police and sent home. Many wonderful memories of Mary Anne, my thoughts and prayers for peace and comfort for your dear loved one. Carol (Peterson) Stephens and all the Peterson's

“ Mary Anne was a truly amazing soul! We were kindred spirits, soul sisters, friends, and one birth day apart. If I ever felt misunderstood, I would reach out to Mary Anne, I knew she would get me. 😊, as I got her. I loved to listen to her adventures with mirth and joy, watching her light up as she told me what fun things she had gotten in to in life, and on her latest trips. Mary Anne was one of the most beautiful women, she was uniquely sensual, and she knew her own allure, she was a light all on her own. She was an extremely magical soul that I was truly blessed to know in this life. Until we meet again my friend, save me a seat. 😊❤️

“ *Okay so MaryAnne would be pissed about this Obituary. So I wrote my own.*

MaryAnne lived an Extraordinary life, one of the first women to work in computer science in the early days of computer technology, helping to code Pasqel and C++. A truly devoted wife, mother, grandmother and of course friend. She was woman culture, class, decency and god. She was a little seam of culture in a blanket of banality. She was my instructor but a great confidant, many a time I'd look over from desk and we'd laugh About something one of us said earlier. She loved music, she loved traveling, and most of all she loved being retired. A true Scorpio, secretive and blunt, but so caring and full of loyalty, she was also a great lover of the mystic and occult. I never got to hang out with MaryAnne since the pandemic, but she'd always message me on her porch late at night with a cocktail. (She'd kill me if she knew I said that) I love you Mrs Green. ❤️❤️❤️❤️
