“ *Dear Hayden & Family, Fond memories of you and Mary surround my mind. We were good neighbors for many years. I remember Mary bringing us hot dog sauce, vegetables, and goodies on several occasions. :)When I was a young girl I would come over to your house often. Mary was so wonderful to me. She would fix me a nice glass of Sunny D, let me watch tv, and help me with my homework. I loved the attention! You were both there for my graduation party, my Dads 60th birthday, and countless other moments.May you be blessed with strength & courage.With Love & Sympathy, Catherine Marcinek (Castaneda) & Family*
