“ *Tierra and Sirena, I am heartbroken to learn of you mom’s passing. Melody has, and will always have, a special place in my heart. With fondness and appreciation, I remember her kindness and patience as my daughter and I brought home, over the years, three family members from your mom’s beautiful dogs, who continue to be wonderful companions for us. They are a constant reminder of the care and passion your mom had for her dogs, and for all the families she touched along the way. I will miss being able to keep in touch with her, as we did to keep her posted on her grand pups and to send our love at Christmas. I know the recent years were very difficult, and though it is heartbreaking to know Melody is gone, I pray that she is at peace. My sincere condolences to both of you and your whole family. All of you are in my prayers. Sincerely, Renata*

“ *Melody was so kind to me when I called multiple times when I was on my puppy search. She spoke very highly of her daughter, Tierra, and her upcoming breeding of Rip back in 2015. I will always remember how comfortable she made me feel when I had so many questions (really more than one person should have). She helped me find my pride and joy, Bounty. I am so sorry for your loss. May she Rest In Peace. Sending love and light. Linda Culliton*
