“ *Bro Crabtee was my Pastor for the last 14 years and he was a great man of God. He was more than a pastor to me, he and his family were there for me during my brain surgery and the death of my mother. I will always be thankful for that and could never express the love I have for him and the family. He was one in a billion and I will never forget him, it's heartbreaking to let him go. It will take me a long time to get use to the idea he is not there for me anymore. Until we join you one day rest in peace.*

“ I can't begin to count the laughs we shared during the almost 5 years we worked together. From me accidently ruining your baseball-shaped stressball, to shooting flies in the office with rubber bands, and complaining about paperwork. I'll cherish each memory always.

'Til I hear you yell "hey app" in heaven.

*Rest easy my friend,
