“ To Cherrylyn and family: My brother Frank and sister Donna told me about Mike's passing, and I just wanted to let you know you will be in my thoughts and prayers in the coming days. It is very sad to know another dear classmate has passed on. Yet, his memory will always be with us. May you find comfort in the many good years you shared together.

“ Sorry to hear of the passing of Mike. Always great to talk to him and visit when I was stationed at Fort Bragg and would come up to visit my grandfather J. Clyde Carr. Mike as a Jackson police officer was able to help me track down a friend from the 8th grade Chip Britton. Mainly due to Chip having a loud and fast car. RIP Mike, see you and your comic book collection on the other side.

“ I was saddened to learn of Mike's passing. Good memories of growing up together in Jackson and seeing him often in school. We shared an interest in military history and spent a lot of time talking over those deep subjects. Last saw him at our 45 year class reunion and he was the same old Mike. My sympathy to Cherrylyn and all the family.
