

Michelle Gibson

April 15, 1971 - October 9, 2025

It is with heavy hearts that we announce the passing of Michelle Gibson (Perkins), who went home to be with the Lord early the morning of October 9th, 2025.

Michelle's 54 years of life was filled with love, laughter, and deep devotion to her family. She is survived by her beloved children — Ashley Fisher (Gary), William Gibson, Tiffani Hunt (JR), Timmothy Gibson Jr., Paul Gibson, and Joshua Gibson (Brandi) — and her fourteen cherished grandchildren who were the light of her life. She is also survived by her loving mother, Joyce Clarkson (Dave), two sisters Mandy McDowell (Rich), Ninette Adkins and a brother David Shover and lots of friends.

She was preceded in death by her father, William Perkins, her brother, William Perkins Jr., and her stepfather, David Shover Jr.

Michelle loved her family more than anything in this world. Her happiest moments were those spent surrounded by her children and grandchildren, sharing stories, laughter, and love. She also found great joy in her visit to Tennessee, a place that held special memories and peace for her.

Those who knew Michelle will remember her for her warmth, her strength, laughter, and the way she could make anyone feel at home in her presence.

Her love will continue to live on in the hearts of all who were blessed to know her.

“ For the last 15 years, I had the honor and privilege to call you *momma*. You were always there when *boo* and I needed. Always. From taking us in when we had nowhere to go, grocery store rides or even baby/house sitting. I'll never forget dancing with you at our wedding. But the one thing I will always carry with me is the last time we visited and I was talking about taking you to Tennessee with us, and coming to stay with you for a weekend like the old days. The smile you gave me and seeing your face light up made me feel like a million bucks. And when we were leaving, you hugged me and said in your soft voice "I love ya bud. You'll always be my son *garafine*". There was no hug like a *momma* hug. And you saying that to me just melted my heart. I'll never forget it. Just like I'll never forget that giant smile you gave me a few days ago when we were *facetiming*. You looked so happy to see me.

I really miss you. We was just getting ready to come see you this week. And then you took a turn out of nowhere :(It's not gonna be the same without you. We still had so much to do together. So many more memories. And I can promise you that if we go back to Tennessee, you're coming with us! I Hate that you left us too soon and through no-fault of your own. But you're memory will live on in all of us. I guess the lord needed a very special angel and just couldn't wait. I hope you'll meet us all there when it's our time. I love you!!!!
