“ The shock and sadness we feel at Community Assault Prevention Services is hard to express. The Rader family have been the best friends and neighbors anyone could have. When Craig became ill we would catch up regularly about his battle. I know Miriam was his rock and she was wonderful to talk to. They mowed CAPS lawn untiringly and did it just for a tax write off. They have wonderful children and grand children. How will they ever go on without her.

Please except Kim, Monica and Nicole's condolences and sorrow over the loss of Miriam. I'm sure the world felt her loss.

Recently I crossed paths with Miriam and was reminded of her beauty, sunny disposition, and her love for her family. We worked many hours together as volunteers at various school projects and Miriam was always helping til the last minute. She adored her family and always spoke of them with a smile and love. I am so sorry for your loss of this precious woman.
