“ It's been great knowing you. We've had fun through the past 25 years. So many fun times will not be forgotten. Even our last get together at your house, on October 29th, playing cards. Your desert was great. We had a lot of laughs & reminiscing. These times will not be forgotten. Love ya. Karen Davison.

“ Nancy was my best friend’s grandmother. I always thought of her as my own, as I continue to feel towards his whole family. They’ve always treated me with the utmost respect and taken great care of me. I’ll forever cherish the memories at Nancy’s house. Everything from swimming in her pool, to playing in her basement, and let’s not forget her sweet tea! Rest In Peace Nancy, until we meet again.

It is hard to express how sorry I am for your loss. You all are in our thoughts & prayers. Nancy was a dear friend & will be greatly missed. We shared a lot of good memories over the years. She was always willing to go along with any idea we would have for one of our girls out days. Her passing leaves a big void in my heart.
