“ I remember as a child Nathaniel was so handsome, artistic and always had a charming smile. He was a very talented artist and very intelligent. My family has one special memory of the week he spent with us in Maine. We loved him and our heart goes out to his mother, fiancé and those in his life that I am sure are heartbroken. We will always hold on to our wonderful memories of Nathaniel.

Love from, Uncle Roger, Aunt Brenda and cousins, Casi and Darcy
