“ Noemi wasn't just a friend but she was like family to me. Everytime I seen her she always has a smile on her face and a hug for me. The first time I met her I felt like I knew her for years. I could sit there and talk to her for hours. I went to visit her in Ohio with Rose, the girls and Nadine. She was making one of her special dinners for all of us. I asked her what it was and she told me that she couldn't tell me some of the ingredients that she was putting in there because it was a family recipe. I loved her and will always love her. R.I.P. MY FRIEND. WHEN I LOOK UP AT THE SKY I'LL SEE YOU BECAUSE YOU'LL BE ONE OF God's STARS THAT SHINE SO BRIGHT.
