“ *To Vanessa and Family, My heart cannot begin to say how sorry I am for your loss.. We never truly understand why the innocent are always taken so soon in life, but just know that she is always with you, blessing you every day, i ask that God be with you all, give you strength to get through, give you some peace at some point to function... I'm here for you always*

“ *I'm gonna miss hearing stories of you and Trinity doing things together. I love you as if you were my own, your daddy loves so much he would do anything for you. I was reading you like to climb. Now, you can climb endlessly and not fall. Spread your wings and fly as you want. Love you baby girl. I will always remember the stories of you, hopefully we will meet someday.*
