“ I'm so grateful for the 52 years I've known Patricia. She was a lovely woman who was so independent up to the last few weeks of her life. She was obviously loved dearly by her sons as evidenced by the devotion exhibited by them. My heartfelt sympathy to her sons and their families. I still remember the first time I met her and her total acceptance of her brother's wife.

“ In one breathe I mourn in another I celebrate a great life of a person that was so many things to me in life I feel that her passing will leave a never filled void in my heart Mamaw you will always leave me with the wonderful visits that Yolanda, Caleb and me shared with you. I have to say that the legacy you are leaving is a true testament, you raised two of the finest men I have ever met I have to say my dad is absolutely one of my truest friends. The honesty,integrity that both men display was forged by you Mamaw like you always told me you didn't have to rush off. I am truly thankful for you Mamaw love you so very much

“ Gene, I am so very sorry to learn of the loss of your mother. I remember her as being a kind, gentle woman and will never forget all those times she drove us to various school and 4H functions. I remember the time we were at the county fair and you sent her to buy hair dye so you could lighten a dark spot on your cow before showing it. I'm sure she is still laughing about that.
