“ I can't believe your gone!! I just keep thinking about all the times when we were growing up.. the late nights pulling pranks on people the laughing and all the misfit trouble we all got into. I know it's been a while ago but now with you passing it seems like yesterday and my heart is broken. I hope and pray your children and grand children know how much you were loved and they get through this awful tragedy. I'm so sorry we didn't talk more and I hope you know Aaron you are loved and missed.
