“ *Elky is what I called Paul when I was little. Paul was the first person I ever seen weld. I just couldn't stop staring at the ark so bright. Still don't need glasses lol. Paul saved me from drowning in their pool when I was young. So grateful he was there. All through the years when I would see him he was always happy to see me and talk. I'll always miss him. Glad he can rest now. He deserves it.*
