“ I remember melissa and i were with her on Evan’s road and melissa had made me a bowl of ice cream. We were setting in the tv room and i looked over and they were staring at me so i said “what”. Pauline said that i melted her heart cause i was on the love seat that Jerry had left Melissa with my feet hanging over the side. She said i looked like a little boy with the biggest grin on my face like i was having the best time of my life. The truth was the times Melissa and I spent with Momma Pauline are now some of the dearest in my heart. We both miss her so much every day. Blessed to have had her in my life.

“ I was staying with Pauline down on Evans Rd, at 8:00 am I was awoken by a moo and I thought I was dreaming , about 10 minutes later I heard another moo, and I looked out and realized I wasn’t dreaming and I went in and hollered at Pauline, and told her we had company, and she got up and looked out , and her landlords cows came to visit us, I laughed so hard and she finally cracked up also and finally called her landlord, we always had good laughs and she would always tell me I was crazy, I sure miss her FaceTime calls, i’ll Always have her in my heart ❤️

“ *I'll never forget when she pulled into my driveway and her car was knocking and choking and smoking and black smoke rolling, cause she was to noisy watching a fight across the street and she put diesel fuel in her tank, we drove that car til it couldn't go no more*
