“ *My favorite memory of my cousin, Pauline, (Tootie) was when she played Minnie Pearl at our family reunions. She not only looked like her, she sounded like her. too. Normally she was a refined lady (like Minnie) but put the hat on her and she turned into "Howdy, It's so good to be here!" It will not be the same without her. Rest in peace dear one, rest in peace.*

“ Sending loving thoughts and positive vibes to Pauline's family. Spent many many times around kitchen table sharing, talking and having fun. She was like a mother to me. Pauline knew how to make you feel welcome and loved. She was a prayer warrior! Remember the fun we had eating cherries. Kat you know what I'm talking about. Love you all and cherish the memories. Till we meet again Tootie. Joyce Austin.

“ My mother passed away shortly after I married Terry. Pauline took me in as her own and always made me feel like her daughter. She was a great woman who I love and admire and will be missed greatly. Heaven has gained an angel.
