“ I first met penny when she was hanging out with my sister Sharon Mcnerlin Smith. Penny was very kind and gentle with all the folks that were around her. After knowing her for a couple years or so I started work at Jay vac and Hope Haven there I become Penny's friend a little closer. My son bought a horse from Mike and Penny and she was always giggling when she was outside and around the horses. She will be sadly missed and forever considered my friend.

“ *Mike and Penny were neighbors in town for basically whole childhood. Penny was like the neighborhood mom, always watching out for us kids and making sure we stayed out of trouble. I never knew Penny to have meet a stranger and she was the kind of person who would truly give the shirt off her back to help others. Lots of great memories there on Jefferson St. Rest easy my friend...*
