“ She was the bestest grandma I've ever had if she were still here I bet I'd be sitting in between her legs and her playing with my hair like she always used too. I miss her so much. And it's also Adylei

“ Penny Sue was one of those people who had the kindest heart but also did not fear to tell someone that what they did was not right. She would give you the shirt off her back if someone else needed it and she could make your bad day turn into a day of laughter. Danny was the love of her life and I'm sure that they are dancing with the Angels with smiles from cheek to cheek. Thank you Penny for all the love and kindness you showed to all. Thank you Lord for always being in our lives showing what love can do for us.

“ We are gonna miss you Penny. I've known Penny since I was a young boy. She was my Aunt Julie's BFF and I remember them driving me around and having fun in Jackson and other places. Penny was a light in the world and now is a light with the Lord. She will be missed. RIP Penny.

“ I remember when Penney's Mom and Dad got married and I used to go to their little Apt to see her. Another memory was when my Dad died, Penney brought me a Texas Sheet cake and it was the best I ever had. A few years ago, I shared the memories with her and within a week, she had her Granddaughters bring in a small Texas Sheet Cake and it still was the best. We talked many times at the kids Birthdays etc. I will miss her. God be with the Girls and the family.
