“ Dear Mary Anne and family,
May God's Grace fill you with comfort and peace. Phil was a lovely man. Every time I saw him at the Herb Society meetings, he would make me laugh with a joke or special thought. I will miss his smile and good nature! God bless him.

“ My prayers for peace to Phil’s family . He was a bright spot in many lives including mine . Special memories of going to plant saplings at Apple Valley and his parent’s beautiful gardens or a meal at his home . Phil was quick to serve with a smile and tell a joke or crack you up with his humor . He was always wanting to show you his latest project in the wood shop or garden or challenge you at a game. His love for his family and wife Mary Ann was so beautiful.

“ Although I only knew Phil for a short period of time, he was such a kind and very funny guy. He was very nice to me and I will miss his smile and kindness.

“ We have MANY, MANY special memories of our Phil. He was so witty - always joking and kidding. He had the heart of a servant...wanting to pitch in whenever he might.

Phil was amazing in that he had such pain in his hands, but never let that overpower him. He kept a great attitude. We loved his smiles and ornery comments. Thank our good God that he was well and able to totally enjoy his 50th anniversary celebration of love with his precious Mary Anne.

We are blessed to have known him! God grant him peace. And, we will wait til the day when we join him on the other side of this life. May God be merciful to our Mary Anne and to Christopher. Amen.

*Love ever,

Today I first heard of Philip's death. He passed too soon. I knew him as a child growing up. He and Mary both were my neighbor's. Mary was so in love with Philip since the 8 th grade I do believe. It's so comforting to me to read of their loving long relationship.

He was a great softball player and he was always dressed so sharp ...always so best and clean . Mary went on to become a nurse I believe and her sister Betty I have not heard of her whereabouts. Does anyone know.

So sorry Mary lost Philip just too early but their life was full and wonderful ...

May god bless the family. Good to know his burial in Jackson catholic cemetery. May I visit next time I am home and say a prayer of remembrance and happiness for him and his life lived with such quality.
