“ We extend our sincere condolences to Michelle and the rest Mrs. Miller's family.

As attested Rita was a special person with an infectious, good natured smile and twinkling eyes. I grew up in Jackson with her and would have graduated with her and Mike in 1960 but my twin and I went off to school in West Virginia our Jr/Sr years but Rita and Mike always considered us as part of that class which we especially cherished. They always included us in class reunions. We remember those joyful occasions and the many times she and Mike hosted the class members home. Rita was a wonderful friend and we always loved hearing her “little snort” when she started laughing really hard.

Sending our love and prayers to Michelle and family, she will be missed and we pray for condolences to her family.

“ Rita was a special person with an infectious, good natured smile and twinkling eyes.

We remember many joyful occasions when she and Mike hosted get togethers at their beautiful home for our mutual high school classmates.

Like Rita , my wife Barbara was also an elementary school teacher and so we were very conscience of the many students and families whose lives were forever influenced by her.

Her dedication as a faithful community and church beneficiary were well known. And her impeccable, glamorous style were impressive to all who had the pleasure of greeting her..

She will be missed and we pray for condolences to her family.

“ Heartfelt condolences to her family. I sat by Rita, Mike, and Rita's parents years ago at football games at the old field. They were the nicest people, and I so enjoyed being around them. I do have to share a story about my stepson, Chris Stiffler, when he was in Rita's class in grade school. He apparently had a huge crush on her, and when they would ask how school was he would describe what Mrs. Miller had worn that day! I am sure she was as wonderful a teacher as she was a person. Prayers for Michelle and family.

“ *My sincerest condolences to your family for the loss of a wonderful teacher, mother, and wife. I had the privilege of being her student in 1st grade at Kinnison Elementary. I have the fondest memories of her smile. She was so sweet and had the most wonderful disposition. She remembered each of her students. When I graduated from high school she sent me a card to congratulate me. I am grateful for your wisdom, care, and love that you showed me and my classmates. It was life changing even as a young child you made a lasting impression on me. I am certain you earned your wings far before you reached the gates of heaven! You will be forever loved and missed! “ *I extend my sincere condolences to Michelle and the rest Mrs. Miller's family. I had the privilege of being a first grade student in her class at Kinnison Elementary, must have been '82-'83 because she turned 40 that year. My mom (Ann Carlisle Sheward) brought in a cake, ice cream, so we had a birthday party for her. She was a dedicated teacher to the art and science of elementary education. Mrs. Miller deeply cared for her students not only educationally, but also their home lives and whatever they might have been going through. I truly believe that the lessons I learned from her and my other teachers (Sue Jones, Crystal Finch, Kathryn Loxley, Kay Bierhup) at Kinnison set the course for my choice of career. I will be forever grateful for her kindness and compassion. Until we meet again Mrs. Miller, you will be greatly missed.*

“ I never had Mrs. Miller for a teacher while I was at Kinnison, but my brother Derek did in 2nd grade. She loved my brother. When my grandfather passed, her and Mike came to the service and they were so excited to see my brother and my family. Prayers to her daughter and family.

“ I had the privilege of teaching with Rita both at Kinnison and Parkview Schools. She was an amazing teacher and had so much patience with her first graders. As a new teacher, Rita taught me lots of the tricks of the trade when it came to teaching young children phonics. I used those lessons to teach first and second graders reading my whole career.
Rita was also a wonderful friend. We always loved hearing her “little snort” when she started laughing really hard.
Sending my love and prayers to Michelle and family as well as to her special group of friends the Soul Mates. ❤️🙏
