“ I had the good fortune to work with Bob for a number of years when he was in fire protection as part of the security department at the mill. He taught me a lot and was fun to work with, but always serious about doing the right thing. To use one of the terms I often heard him use...he was a "dandy". Prayers for his family who he loved dearly and often talked about!!!

I remember Bob and his wife Suzanne as neighbors on Payne Street when I was just in grade school. I am so sorry to hear of his passing. Praying God will surround his family with his love during this time.

One of my first memories is seeing a Policeman on a three wheel motorcycle. That was Mr. Lewis. His son, Don, and I have been close friends since 1st. grade. Bob and Sue were great parents and just really good to all. Deepest condolences to the Lewis family. May God's grace and love surround you.
