“ Ron you will be greatly missed! I will miss those late night text asking me what's for dinner? Or the ' I can't sleep, whatcha doing?' texts.

Also all those funny lines you always said!

Ron was the guy who walked into any room and everyone there was happy to see him! Thank you for being the big lovable guy we all loved! All my love and condolences to the family and all of his friends.

“ Ron, you once told me... "You don't have to be nice, you made it back". My reply was yes, but we chose to be kind and live as decent men. And you my friend were one of the kindest, caring and funniest man I have been blessed to know. I will miss you dearly and you will be in my thoughts often. When I think of you....it will bring a smile to my face. I am a better man for having the ability to call you friend. So, with a heavy heart and much respect....I bid you farewell...

Until we meet again,
Rocky

“ *So many fun memories of Big Ron from all over the area. The sand dunes to the local pubs. We had a lot of laughs and a lot of heart to hearts. He was truly one of my all-time favorite humans that I have met in my own journey. I said on Facebook that I'm gonna miss his road stories from driving his truck all over the country. I'm the kind of person who likes to make people smile and I never had to do that with Ron because he was always making me smile.*

Ron was truly a one of a kind. He was one of the old school corrections officers before the system became complicated. He was so upbeat that you couldn't have a bad day around him. We was also great to stop by and have breakfast with. He will be sadly missed for too many reasons to mention. It was a privilege to work beside and be friends. My favorite thing was when he did his Dark Brooks dance routine. He taught us all not to take things to seriously. He made our lives a better place. Thanks for breakfast. Bob Schweinsberg
