Thank you for your comments. My brother definitely had his demons he was fighting, and he fought them every day. I'm certain he is doing way better than we are here on this day. He is in the loving hands of our Lord and Savior, Jesus Christ. He's also with our mother now. He was her baby boy, after all. She'd never given up on that boy, despite rumors of the contrary. I can't wait to see them again.
