“ *Our hearts have been grieving with you since we got the news. No words we can say can ease your pain. No songs sung can make it go away. But we have a promise that we will see our loved ones again when we all get to Heaven. I believe Aunt Kay greeted Ryan with open arms. She knew him as soon as she saw him. That brings me a little comfort maybe it will you too. May God hold you close and comfort you all in the days and weeks to come. We love you all.*
