“ Momma Sarah this can't be real, you can't be gone. I need you here, even more so Tik and Talin needs you here. Wish this was just a nightmare that we could wake up from and you would be right there.

I miss you soo much already and my heart is shattered even more than it already was. Though I continue to keep losing people I love, I never imagined that I would be losing you anytime soon.

See you on the other side angel 🙏❤️💔😭
