“ *my prayers go out to the family and friends of Sarah, i sat beside her at dialysis and we would talk, she became a good friend of mine. she always wanted me to play hank williams for her on my phone. she would talk about the love for her family. Everyone at the dialysis center was quite fond of her. i would tell her we was "best friends" and she would say "and we always will be" i miss her and will miss her making me laugh and mocking me when i said i had to leave cause i had to go to work, she would scrunch up her nose and mock me....lol...i will deeply miss her.*
