“ *I remember when Sean was just a little boy. He was so full of life. I am sincerely saddened by his passing. My thoughts and prayers are sent to his loved ones. I know how hard this is right now for I lost my son May 2nd at the age of 32. I know there is nothing that can be said other than I will pray for the angel of comfort to come your way, an arm to pick you up when you are ready to fall, and an ear to listen when you want to talk. Love to all. Maggie*
