We're all going to miss you. If you see my mom and dad up in the heavens tell them that I said hi. Love you girl I'm going to miss you.

“ I met Shandi through being friends with her aunt Hope. I never saw her without a smile on her face. And when we would run into each other at the store, she would run up to me to say hello and give me a hug. She was a sweet soul and I will never forget her. My most heartfelt condolences to her family and close friends.
